Dear Parish Clerk / Parish Transport Representative

Stansted Transit

You may already be aware that Stansted Transit ceased operating on Thursday 4 June. Essex County Council Passenger Transport Staff worked to ensure that all the Local Bus and Education Transport Contracts were covered for Friday morning and until further notice.

An emergency contract has been entered into with Excel Passenger Logistics to cover all the Essex County Council Local Bus Contracts as well as the Education Contracts operating to local schools. There will be no change to routes, timetables or fares on the Essex County Council contracts but passengers may find that a range of vehicles in different liveries are being used to operate the contracts.

Service 133 was a commercial service operated by Stansted Transit and this has been taken over as a commercial service by Excel Passenger Logistics and therefore does not fall under the jurisdiction of Essex County Council.

I will keep you informed of any further developments.

Yours sincerely,

Charm Hobbs
Transport Liaison Officer
